Good game :). I keep starting up this game wanting it to be good but after about 15 minutes or so Iu2019ve had enough, every time. Your forced to sit through endless dialog. Looking at an image of the story while listening to the characters go on and on, then finally your able to do a fight. You can probably win using one or two buttons, then more looking at an image while you listen to more voiceover story (No real time or otherwise cinema). Rinse and repeat.

It is absolutely awful. This trend of trying to pump out fighters as quick as possible to make more money faster is ruining the genre. Do not buy this.. My biggest complaint is that the hit boxes are too big, leading to me going to screens I wasn't aiming for, and accidentally triggering things I hadn't even intended. I guess that's why it's only a few dollars.. waste of money wont even work. I'm giving this game a big thumbs up as it's a great VR experience! Kudos to the devs for exploring this new genre in the VR space. Great time.

Please read the other reviews for commentary on the new "grind" but otherwise fun gameplay. Spot on.. it's an okay game, the puzzles are very inventive and the playing method is very fun however it seems fairly overpriced for what you get.. Great Game good for Multiplayer and Best Killing game not Brutal but ist fun to play with friends and other stuff if you dont wanna have COD Battlefiel or Arma 3 GET THIS GAME

easy mode cheese op. There are demons, and they do have shotguns.

10/10. Absolutely awful. Clunky gameplay and controls, it's really annoying finding a path through a series of invisible walls, finding almost random places where you need to jump and then having to backtrack to find a way through over and over. The graphics lack any realism - even the font for example used on the menus looks amateurish. It's WAY too expensive for what it is. My recommendation would be to pull the release, finish it, and re-release when it's actually polished.. Decent for the price, Shame you can't buy more for other soldiers.. Fun and addictive. Give 'er a play!. yes yes very good yes
